Contract Type: Permanent (Full Time)

Reporting to: Principal Investment Management Team

About Company: Our client is a leading Investment Management Group in Africa with business focus in Private Equity, Real Estate and Asset Management.

The Company seek individuals who embody its core values, work well in a highly entrepreneurial organization, are self-starters, detail oriented, and possess strong people, organizational and analytical skills.

The Investment Officer will be involved in providing leadership across all aspects of the investment process. She/ He works with other senior members of the firm to prepare the deals for the investment committee and effectively liaises with key stakeholders.

Desired Qualifications

- Preferred graduate degree in business or finance.
- 8+ years of relevant experience including at least 3 years' experience from a reputable private equity firm with an existing track record.
- French language skills would be an added advantage.
- Solid track record in deal origination, structuring, due diligence, risk analysis, portfolio management and exits.
- Has successfully played a key role in raising and managing multi-million-dollar PE funds.
- Implemented rigorous due diligence processes and risk assessment frameworks to ensure investment viability and minimize potential downside risks.
- Demonstrated experience in managing and leading teams.
- Sound judgment, particularly in valuation matters, with strong analytical skills and the ability to talk through previous deals comprehensively.
- Comfortable leading initiatives as well as working well in a collaborative team environment.
- High degree of integrity and personal and professional ethics
- Desire to work in a dynamic and entrepreneurial organization.

Compensation: Highly Competitive + Interesting Benefits.
